RE: June 2012 Monthly Report

During the month of June, the West Lafayette Police Department received **1,666 calls for service**, a decrease of 391 calls (19%) from May, and a decrease of 355 calls (17%) from June 2011.

On June 6th, Detective Greene gave an internet safety presentation to a group of 65 children from military families from around the area. The participants ranged from 12 to 16 years of age. The presentation was held at Purdue University and was part of a joint partnership called Camp Purple.

On June 12th, members of the West Lafayette Narcotics Unit followed up on a drug related tip from the public regarding dealing Marijuana from a residence in the 400 Block of North River Rd. Members of the unit developed the case and arrested two subjects on Felony charges related to drugs. Officers also seized 200 grams of Marijuana and \$3,500 in cash while serving a search warrant. The public is asked to report suspicious activity to the department or at the WeTip Hotline at 1-800-78CRIME.

June 14th, the department held its monthly drug take back day in which 150 people came to headquarters and turn in 400 pounds of prescription medication that is no longer needed or has expired. The next take back day is scheduled for July 12th from 11 to 1 pm at the police department.

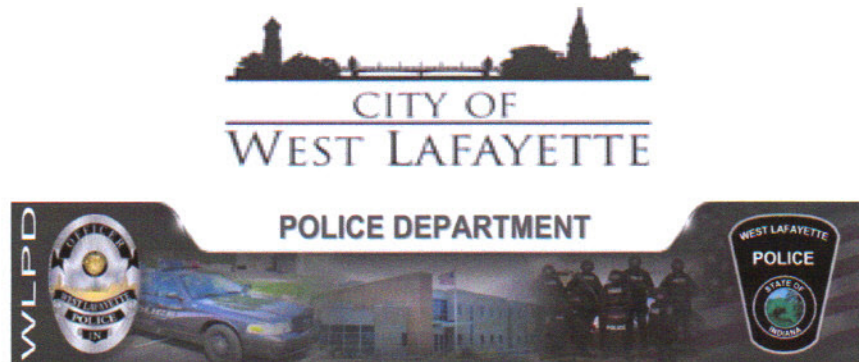

June 27th, Officer Shepherd spoke to 14 local Girl Scouts about issues related to Bullying and different ways to report incidents and how they may be able to help a friend that may be a victim of Bullying.

During the month of June members of the department attended both the Saint Elizabeth and IU Health safety fairs where they answered questions from the public and presented information on programs within the department.
